

## Wodonga Tennis Centre Inc

Want to play pennant tennis but don't want to commit to playing each Saturday?

Want to keep the weekends free but still be able to play some good, hard, competitive tennis?

Want to be able to play this type of tennis on lawn tennis courts, not play in the heat of the day and keep yourself active?

You can do this while playing at the largest grass court venue in Albury/Wodonga, enjoying a cold drink (or two) and having a bite to eat at the BBQ, all at the same time.

All this is now available to enjoy on a balmy summers evening and you can even be home before dark (if you want).

Entries are now being taken for our pennant competition on Tuesday evenings and you don't even have to be a member to play.

Commences:

15th October 2019

Time:

5:30pm - 8:00pm

# Tuesday Pennant Twilight Tennis
